Re: Contract No. 68-S5-98-01
Task Order No. 0065 - Mahoningside Power Plant
Clarification of DBA versus SCA

Dear Mr. Durno:

After close review of the scope of the remaining work to be performed at the Mahoningside Power Plant site, it is my evaluation that Service Contract Act (SCA) and Davis Bacon Act (DBA) rates apply to the following tasks:

SCA	• Water treatment operations and site management
	• Concrete sawing, removal, and decontamination
	• Load, transport and disposal
	• Jetter/vac lines and sumps
	• Equipment decon and demobe
DBA	• Excavation, solidify and staging of waste
	• Backfill excavated area
	• Excavation of river

Please advise if you determine otherwise. If you require additional information, please contact Tammy Engel or myself at 800-500-0575.

Sincerely,

ENVIRONMENTAL QUALITY MANAGEMENT, INC.
